

Senior Design Team Evaluation Form

Your name: Austin Markham

Project Name:

Deeply Rooted

Complete the form for yourself and each member of your team (one person per column) and turn it in on MyCourses. You will have to add multiple tables to cover all of the persons on your team. **Descriptions of the categories are on page 2.**

Assign a number from 1 (lowest performance) to 5 (highest performance) for each category.

Example (this is an example of what your columns should look like...with your name and your team member names):

Names	Austin Markham	Dalton Webb	David Coley	Teri Jackson	Savannah Goodin	Will Lee	Will Nobles
Quality of technical work	5	5	5	5	5	5	5
Ability to Communicate	5	5	5	5	5	5	5
Ability to apply leadership	5	5	5	5	5	5	5
Commitment to team and Project	5	5	5	5	5	5	5

Ability to provide leadership Commitment to team and

project Demonstrated effectiveness

Quality of technical work

Ability to communicate

Modified from <http://web.cecs.pdx.edu/~faustm/cap>

Is the person's work correct, clear, complete and relevant? Are equations, graphs, notes, and other work clear and intelligible?

Do they participate in discussions? Do they listen and ask questions to clarify their understanding? Are their comments relevant? Are they able to communicate effectively?

Does the person take initiative, make suggestions, take on responsibility? Does s/he inspire and support other team members?

Does the person deliver what they commit to do? Does s/he attend all meetings? Arrive promptly? Prepared to work? Demonstrate a positive attitude?

Is the person effective? Has their participation benefited the project? Could they have done more to ensure the project's success?
